IFBB PRO

CHAMPIONS RANKING

REGULATIONS 2026–2027

$200,000

TOTAL RANKING PRIZE FUND

01 Purpose And General Principles

The IFBB PRO CHAMPIONS RANKING is established as an international professional competition circuit designed to reward sporting excellence, consistency and active participation throughout the season.

Athletes participating in official IFBB PRO CHAMPIONS RANKING Events will accumulate ranking points according to their final placing.

At the conclusion of the season, the five highest-ranked athletes in each official category will receive the corresponding prize money established under these Regulations.

The inaugural IFBB PRO CHAMPIONS RANKING season will run from November 2026 to November 2027.

The total prize fund for the 2026–2027 season is established at:

$200,000

02 Official Ranking Categories

The IFBB PRO CHAMPIONS RANKING will include the following categories:

Classic Physique

Bodybuilding Open

Bikini

Men’s Physique

Bodyfitness

Wellness

Women’s Physique: This category will be removed from the ranking system but will remain available to organizers who wish to include it in their events.

Each category will maintain an independent ranking.

Athletes may only obtain points in the category in which they actually compete.

03 Ranking Prize Fund

The total prize fund of $200,000 will be distributed as follows:

Category	Prize fund
Classic Physique	$40,000
Bodybuilding Open	$40,000
Bikini	$40,000
Men’s Physique	$40,000
Bodyfitness	$20,000
Wellness	$20,000
TOTAL	$200,000

04 Distribution Among The Top Five Athletes

The prize fund allocated to each category will be distributed as follows:

Place	Share	$40,000 categories	$20,000 categories
1st	40%	$16,000	$8,000
2nd	25%	$10,000	$5,000
3rd	15%	$6,000	$3,000
4th	12%	$4,800	$2,400
5th	8%	$3,200	$1,600

05 IFBB PRO CHAMPIONS RANKING Events

The organizer shall pay a single fee for the organization of the IFBB PRO CHAMPIONS RANKING Event.

This fee will include the official IFBB PRO CHAMPIONS RANKING medals for the first three athletes in the professional competition.

The principal sporting reward at these competitions will be the allocation of points towards the annual IFBB Pro Ranking.

06 Athlete Eligibility

IFBB PRO CHAMPIONS RANKING Events will be open to professional athletes holding a valid professional card issued by IFBB Pro or by any other bodybuilding and fitness organization.

Participation is subject to fulfilment of the applicable eligibility requirements and payment of $100 for one event, or $300 for participation in IFBB PRO CHAMPIONS RANKING Events throughout the season.

Athletes holding a professional card issued by another organization MUST OBTAIN PRIOR AUTHORIZATION FROM IFBB PRO before participating. Payment of the participation fee does not, by itself, constitute authorization or guarantee admission.

Participation in the IFBB PRO CHAMPIONS RANKING will therefore not be restricted exclusively to existing IFBB Pro athletes.

This open participation shall apply exclusively to IFBB PRO CHAMPIONS RANKING Events. Athletes from other organizations who wish to compete in Grand Slam and other events must compete in at least 4 IFBB PRO CHAMPIONS RANKING events.

All participating athletes must:

• Register according to the procedures established for the event.

• Hold valid professional status.

• Comply with the sporting and disciplinary regulations applicable to the competition.

• Accept the judging procedures and final results of the event.

• Comply with any other eligibility requirements established by IFBB Pro.

Participation in an IFBB PRO CHAMPIONS RANKING Event does not, by itself, imply transfer of membership from another professional organization to IFBB Pro.

07 Ranking Points

Ranking points will be awarded to the top ten athletes in each category as follows:

Place	1	2	3	4	5	6	7	8	9	10
Points	12	10	8	7	6	5	4	3	2	1

A minimum number of participants shall be established for each category in order for the full ranking points to be awarded. If the number of participants is below this minimum, a reduction coefficient may be applied to the points awarded, or the result may be excluded from the annual ranking.

The minimum number of participants, any reduction coefficient and the conditions for excluding a result shall be established by IFBB Pro and published before the start of the season.

Only the final official results approved by IFBB Pro will be valid for ranking purposes.

08 Six Best Results

Athletes may participate in an unlimited number of IFBB PRO CHAMPIONS RANKING Events during the season.

However, only the athlete’s six best results will count towards his or her final ranking score.

Once an athlete has participated in more than six Ranking Events, any new result that produces a higher number of points will automatically replace the lowest of the six results previously counting towards the ranking.

Therefore, participation in additional competitions provides athletes with opportunities to improve their ranking but does not provide an automatic advantage simply through participating in a greater number of events.

There is no obligation for an athlete to participate in six competitions. An athlete participating in fewer events will be ranked according to the points actually obtained.

09 Grand Slam Events

The IFBB PRO CHAMPIONS RANKING and the IFBB Pro Grand Slam Events are two separate professional competition systems, provided that the athlete is qualified to participate.

Grand Slam Events will be professional competitions offering their own direct prize money.

Events designated as Grand Slams may include:

• Siberian Power Show

• Roger Boyce Classic

• Mister World

• Other major events designated by IFBB Pro.

Grand Slam Events will not award Ranking points. Participation or results obtained at a Grand Slam will therefore have no effect whatsoever on the annual IFBB PRO CHAMPIONS RANKING.

Prize money awarded at Grand Slam Events will be completely independent from the $200,000 Ranking prize fund.

10 Ranking Classification

The official ranking will be determined by adding the points obtained from each athlete’s six best Ranking Event results during the season.

The athlete obtaining the highest number of valid points will finish first in his or her category.

The Ranking may be updated and published regularly through official IFBB Pro communication channels throughout the season.

The definitive classification will be established following the final Ranking Event of the 2026–2027 season and after verification of all official results.

11 Tie-Breaking Procedure

In the event that two or more athletes finish the season with the same number of ranking points, the following criteria will apply consecutively:

First: Highest number of victories among the six results counting towards the athlete's final ranking.

Second: Highest number of second-place finishes.

Third: Highest number of third-place finishes, followed, if necessary, by fourth-place finishes, fifth-place finishes, and so on.

Fourth: If the tie continues, the athlete obtaining the best result in the most recent Ranking Event in which either of the tied athletes competed will receive the higher ranking position.

The purpose of these criteria is to give priority to sporting excellence and victories.

12 IFBB PRO CHAMPIONS RANKING Champion

The athlete finishing No. 1 in each category at the conclusion of the season will be officially recognized as:

IFBB PRO CHAMPIONS RANKING CHAMPION 2027 In addition to the corresponding prize money, each Ranking Champion will receive a special official IFBB Pro award.

13 Organizer's Responsibilities

An organizer authorized to stage an IFBB PRO CHAMPIONS RANKING Event shall:

• Obtain prior approval from IFBB Pro.

• Pay the corresponding organizational fee.

• Include the event in the official IFBB Pro calendar and promotional materials as an IFBB PRO CHAMPIONS RANKING Event.

• Follow IFBB Pro competition and judging procedures.

• Provide appropriate stage, backstage and organizational conditions.

• Use officially appointed or approved judges.

• Provide IFBB Pro with complete official results immediately following the competition.

• Respect IFBB Pro branding and communication guidelines.

• Present the official medals provided for the top three athletes.

The organizer may provide additional trophies, gifts, appearance fees or prize money at his or her own discretion, subject to applicable IFBB Pro regulations.

Any such additional benefit will not modify the ranking points awarded.

14 Official Results And Point Validation

Ranking points shall only become definitive following confirmation of the official results by IFBB Pro.

In the event of an administrative error, incorrect classification, disqualification or subsequent disciplinary decision affecting an athlete's result, IFBB Pro may amend the Ranking accordingly.

When an athlete is disqualified from an event, the ranking points obtained from that event will be cancelled.

Where appropriate, the athletes placed immediately below the disqualified athlete may be moved upwards in accordance with the official amended results.

15 Prize Money Eligibility

Only athletes maintaining eligibility under these Regulations at the conclusion of the season will be entitled to receive Ranking prize money.

The final prize allocation will be based exclusively on the definitive Ranking approved and published by IFBB Pro.

If an athlete becomes ineligible or is disqualified before the definitive Ranking is confirmed, the following eligible athletes will move upwards accordingly.

Prize payments will be made following confirmation of the final Ranking and completion of the corresponding administrative requirements.

16 Sporting Integrity

All athletes, officials, organizers and judges participating in the IFBB PRO CHAMPIONS RANKING must respect the principles of fair play, sporting integrity and professional conduct.

Any manipulation of results, fraudulent registration, falsification of professional status or conduct seriously damaging to the integrity of the competition may result in cancellation of points, disqualification from the Ranking and/or other disciplinary measures.

17 Calendar And Event Approval

Only competitions formally designated and published by IFBB Pro as IFBB PRO CHAMPIONS RANKING Events will award Ranking points.

The inclusion of an event in the IFBB PRO CHAMPIONS RANKING is subject to approval by IFBB Pro.

IFBB Pro reserves the right to approve, reject, postpone, relocate or cancel the Ranking status of an event when organizational, sporting or exceptional circumstances make such action necessary.

18 Final Authority

IFBB Pro will be responsible for the administration, interpretation and implementation of the IFBB PRO CHAMPIONS RANKING.

Any matter not expressly covered by these Regulations will be decided by IFBB Pro in accordance with its applicable rules and the principles of fairness and sporting integrity.

IFBB Pro may issue supplementary provisions or clarifications when necessary for the proper operation of the IFBB Pro Ranking.

These Regulations shall enter into force for the 2026–2027 IFBB PRO CHAMPIONS RANKING season.
